

Terms and Conditions

The following are the terms for all graduate students at the University of Idaho admitted into the MNR degree program. Please read this carefully and sign to indicate your acceptance of these terms.

Continuation of your graduate position is contingent upon satisfactory academic performance*, progress toward your degree, and abiding by the program and the University's policies and procedures. UI policies are available on-line in the Faculty-Staff Handbook at <http://www.webpages.uidaho.edu/fsh>. *For example, probation is not considered satisfactory academic performance; two semesters of probation status will lead to disqualification from the program (i.e., attaining good standing- this requires grades of B or higher). Remember that a grade of C or higher is required for a course to count towards your graduate degree program.

College and department policies are within the CNR Graduate Student Handbook which is available at <http://www.uidaho.edu/cnr/students/graduate-students>.

The University of Idaho requires all on-campus students to have personal health insurance coverage or enrollment in the Student Health Insurance Program. You may view this information on-line at <http://www.uidaho.edu/current-students/student-health-services/insurance/ship>.
