SUPPLEMENTAL RESOURCES

Reading Makes Cents is designed for 3rd through 5th grade youth in afterschool programs, although it may be used in all 4-H group settings.

It consists of seven sections: The History of Money, Managing Money, Earning Money, Spending Money, Saving and Investing Money, Sharing and Giving Money, and Borrowing and Lending Money. Each section has 5 - 8 activities. Each activity features a children's book that ties reading to financial literacy, plus Family Time Activities (in English and Spanish). The curriculum emphasizes that saving is not an option, but a necessary part of all budget practices.

The children's books are used multiple times in different activities. Most books may be easily borrowed from a local library. Additional resource books are listed at the end of each section.

The helper/adult Volunteer guides the youth through a minimum of two activities from each section for a total of 14 activities. Word Searches build vocabulary but are not considered an "activity." Youth record their activities in a Reading Makes Cents journal. We strongly recommend youth create their journals as one of the first activities of the project and add to them at the end of each meeting.
