In-state tuition available for Idaho residents and residents of member WRGP states and territories. A limited number of in-state tuition waivers are available, too.

As the only law school in the state of Idaho, you choose from two distinct locations: Moscow on our main campus with all the benefits of the land grant institution, and Boise in the south just steps away from the Capitol.

JOHN PAUL STEVENS FOUNDATION PARTNERSHIP

Candice Spector, 3L, made the most of her experience with the JP Stevens Foundation Public Interest Fellowship Program by working at Idaho Legal Aid Services, where she was able to use her legal training to help ensure equal access to justice and information in the community.

Idaho Law featured its JP Stevens Foundation partnership on its social media channels throughout the summer.
