

Donna Howard - Accounting Specialist II

8 February 2024

Donna is ALWAYS so helpful with any Travel and AP questions. She is responsive, never minds an interruption, and will even take time for a quick training via a Teams call when needed. Donna has helped me so much transitioning to my new role with new processes. She is a true asset to the University and a great example of a dedicated employee!

Pre Award Team - Pre Award Office of Sponsored Programs

28 February 2024

The College of Engineering is pleased to offer a University Kudo to the Pre-Award team at the Office of Sponsored Programs for their dedication, professionalism, expertise, and seemingly inexhaustible patience. Time and again, they have gone above and beyond to help our proposals succeed, frequently performing miracles. To Eric, Sarah D, Tami, Chelsea, and Sarah M, thank you for the tremendous difference you make in winning awards for the UI!
