1. Degree-seeking students must be enrolled in Eng 101, or 102 in their first semester in residence and each subsequent semester until they have passed Eng 102.

The B.S.Arch degree requires a minimum of 120 credits, including at least 3 cr of 200-level or above courses taken outside the disciplines of architecture; landscape architecture; art and design; interior design; and virtual technology and design; and 3 cr of 200-level or above courses taken within the disciplines; and at least 6 credits of 200-level or above courses taken in any discipline. (Credits earned in completion of an academic minor may be substituted for elective credits).

The M.Arch degree requires a minimum of 45 credits. 36 of these credits must be at the 500-level; others may be from 400-level courses in Architecture and 300- or 400-level courses in supporting areas. Arch 552 may be substituted for Arch 554 with permission.
