Research in Coeur d'Alene

U of I Coeur d'Alene students are doing cutting-edge research, no matter if they're undergrad, graduate and doctoral students. Our students work on high-impact projects that make a difference in the local and global economy.

JOHN SHOVIC

Assistant Research Professor – Computer Science

“The University of Idaho Coeur d'Alene is a special place. We have great natural beauty – and robots! U of I Coeur d'Alene is home to the **Center for Intelligent Industrial Robotics** and to a bunch of really incredible NIC and U of I students who are passionate about robotics and artificial intelligence (AI).”

MICHAEL HABERMANN

Computer Science B.S.

“University of Idaho Coeur d'Alene offers high-quality education right in my hometown, making it an affordable and accessible option to pursue my bachelor's degree. The campus provides a strong academic experience while allowing me to stay connected to my community.”

MICHAELA EVANS

Elementary Education B.S.Ed.

“I chose U of I Coeur d'Alene because it's close to home and I really like the close-knit community here. I wouldn't have been able to relocate my family to Moscow, so the elementary ed program in Coeur d'Alene allowed me to stay on my chosen career path.”

COMMUNITY

U of I Coeur d'Alene is a member of the North Idaho Higher Education Consortium, providing students with expanded access to shared resources, collaborative programs and streamlined pathways for transferring credits.

ADMISSIONS REQUIREMENTS

Transfer students

SCHOLARSHIPS

Transfer students from Idaho with a strong GPA may qualify for our Go Idaho! Program, meaning you'll receive a guaranteed amount of funding through a combination of U of I scholarships.

By maintaining a minimum 2.5 U of I GPA, this level of funding may be renewed for an additional two to three years, depending on the number of credits transferred. Scholarships are based on unweighted GPA.

TRANSFER STUDENTS **TRANSFER IDAHO!**

3.8-4.0  Vandal Summit | **\$3,000**
