SUBJECT: FY2026 Student Tuition and Fees

The University of Idaho collaborative fee setting process is now concluded, and our proposal will be forwarded to the University of Idaho's Board of Regents for action at its April 16 - 17, 2025 meeting on the Moscow campus. A budget presentation and open forum will be held March 27, at 3:30 pm in the Clearwater/Whitewater rooms in the ISUB (location tentative) to obtain university feedback on our proposal.

I want to express my gratitude to the students who took part in the dedicated activity fee process and offer a special recognition to those of you in leadership roles. Your participation and leadership are crucial as we address matters related to student fees, and I am pleased to hear of the strong, principled efforts you demonstrated. I also appreciate the leadership and efforts of Blaine Eckles and Trina Bower in supporting you throughout this process.

Attached please find a schedule of proposed changes for FY2026. These changes reflect fee increases needed to support an anticipated \$1.55 per hour change in employee compensation (CEC) for fee-funded units. The proposed tuition increase, estimated to generate an additional \$3.5M in tuition revenue, is needed to fund the portion of the \$1.55 per hour CEC for general education-funded positions not covered by state general funds as well as a portion of the impact of inflation. Adjustments to tuition and/or fee increases may be necessary should state CEC funding or other assumptions change. A final determination on tuition and fees will be made by the Regents of the University of Idaho in April. Until that time, you may provide feedback to this notice by emailing *studentfees@uidaho.edu* or contacting Trina Bower, Asst. VP University Budget and Planning directly at *tmahoney@uidaho.edu* or 208.885.4387.

Again, thank you for your leadership, spirit of collaboration and commitment to the University of Idaho.
