

April Day Camp Information

Flat Bread

Learn the art of making flat bread while learning measuring, mixing and other cooking skills.

Spring Sugar Cookies

If you have done a cookie decorating class before, please choose another first choice class, you are welcome to put this as a second choice class.

Learn how to use royal icing to outline, flood and add detail to your sugar cookies.

Pressed Flower Frame

Use dried flowers and a double pain frame to create a beautiful piece of art.

Journal (Scrapbooking)

Using scrapbook paper, stiff cardstock, cutouts and stickers create a small book that can be used for many things.

Beaded Wish Bracelet

With beads and hemp string learn how to create a beautiful braided wish bracelet.

Bread and Butter

Using measuring, kneading, mixing and other baking skills, learn how to make yummy bread and fresh butter.

Fabric Maze

Using fabric and felt use basic sewing skills to create a maze that is a great quite fidget toy.

Card Stamping

With stamps, ink pads, cardstock, and scrapbook paper make some fun Easter and spring cards that you can use to brighten someone's day.

Spring STEM

Come have fun doing springtime science and art, we will grow colorful crystals and learn about solutions.

Wood Planter Box

Come learn and use basic woodworking skills to create a fun planter box.

Book Club

This club meets every third Wednesday of the month until July. You choose the books you read then create a way to present what the book was about to the club, this can be a craft, poster, presentation, food or whatever you choose.

Cloverbuds for those age 5-8

This theme this month will be Hobbies. We will explore the hobby of cooking as we make pretzels, the hobby of embroidery and card making as we embroider on cardstock, and the hobby of crafting when we make a silly bunny sticking out of a flowerpot.
