

December 4-H Day Camps

Christmas Origami

The Christmas Origami Class will teach the basics of paper folding and how to create various holiday designs.

Christmas Watercolor

A beginner friendly watercolor class to learn some basics of painting Christmas items.

Beginning Sewing for TEENS

This class is for those 13-18. We will learn some basic sewing skills as we sew a Christmas stocking.

Thumbprint Snowman Cookies

This class will be learning measurement, mixing, and other baking skills. Creating a fun snowman cookie.

Gnome Door hanging

Creating a festive gnome out of macrame yarn and rope to hang on your door or wherever you want.

Recycled Milk Box Automata

Come learn about motion and automata. We will use a recycled milk box to create a moving figure. Use your creativity to design a Santa, snowman, gingerbread, or other character, that appears to walk when you turn the handle.

Cloverbuds for 5-8 year olds

This month for Cloverbuds we will be exploring some of the different Christmas traditions around the world. We will make some crafts like a Nativity and Candy Canes, decorate some Lebkuchenherzen, which are German gingerbread heart cookies. We will also talk about some of the other traditions.

Reindeer Games for TEENS

This is for those 13-18 You do not need to be registered on zsuite to come and enjoy. Come and play some holiday games. Bring friends and enjoy a free night of fun and food. This activity will last about an hour and a good time will be had by all.
