I advised the Councilmember on matters including the implementation of federal consent decrees involving the New Orleans Police Department and the Orleans Parish Prison. I coordinated the City Council Committee on Health, Education, & Social Services.

Orleans Public Defenders

Staff Attorney, 2012-2013

I represented indigent clients facing misdemeanor charges in New Orleans Municipal Court and low-level felony charges in Orleans Parish Criminal District Court. I handled plea negotiations, preliminary hearings, and bench trials.

Special Litigation Attorney & Client Services Director, 2011-2012

I continued to develop the Client Services Division and support legal and institutional reform strategies to strengthen representation of indigent defendants in the crucial stages following arrest. This project work was primarily funded by a grant I obtained from a philanthropic organization called the Vital Projects Fund. I gained admission to the Louisiana Bar in May 2011.

Special Litigation & Pretrial Services Fellow, 2009-2011

I developed an institutional reform strategy to strengthen representation of indigent defendants in the crucial stages following arrest. I supported supervising attorneys with impact litigation, including successful appeals they argued before the Louisiana Supreme Court. I created and directed a new office division to support holistic, community-based client services. I supervised a team ultimately comprised of nine full-time staff and fellows. I developed new technology and workflow systems to enhance efficiency and responsiveness. I secured external funding to support this reform work, including a fellowship from the Arthur P. I created and managed a new media project in response to the humanitarian crisis in Darfur. Our team developed a website that collected video messages from concerned citizens around the world. We organized the flagship rally at the United Nations headquarters in New York City on the Third Global Day for Darfur. The project ultimately secured over \$500,000 in funding and sent a research team to Eastern Chad to interview, survey, and record video testimonials from Darfurian refugees.

Legal Intern, Affirmative Litigation Task Force, Summer 2007

I helped attorneys develop a legal strategy to protect medical coverage for juvenile detainees.

Professor Sanjay Reddy, Barnard College in New York, NY
