Dear Sarah Martonick:

By letter dated May 6, 2024, NSF requested that Regents of the University of Idaho respond to issues and concerns identified during our site visit conducted February 26 – March 1, 2024. We have reviewed your response and the additional information provided during our follow-up discussions.

You have adequately addressed our concerns, and we take no exception to your corrective actions. We appreciate your assistance in this process. We consider this monitoring review administratively closed.

Sincerely,

Liz DeHart
